The poster features a collage of images: children holding orange signs with the Chinese character '和' (harmony), a person in a white shirt making a peace sign, and a group of people running. A large teal diagonal banner across the center contains the event title. To the right, a yellow box contains a QR code for registration. Below that, a white box with a pink border displays the date and time. At the bottom, a row of logos for the lead organizations is shown.

Rivers do not drink their own water; trees do not eat their own fruit;
the sun does not shine on itself and flowers do not spread their
fragrance for themselves.

Living for others is a rule of nature.
We are all born to help each other. No matter how difficult it is...

Life is good when you are happy;
but much better when others are happy because of you.

HOLY FATHER POPE FRANCIS

Let us all remember then that every changing colour of a leaf is beautiful
and every changing situation of life is meaningful, both need very clear vision.

So do not grumble or complain, let us instead remember that
Pain is a sign that **WE ARE ALIVE**,
Problem are a sign that **WE ARE STRONG** and
Prayer is a sign **WE ARE NOT ALONE!**

If we can acknowledge these truths and condition our hearts and minds,
our lives will be more meaningful, different and worthwhile!
