STEM+ Activity

## Bottle Garden

What you need:

- Cut two bottles as below and keep Sections A, B and C.
- Poke some holes in the cap of Section B. Thread some pieces of cotton string through the holes. Screw the cap back on Section B. Turn it upside down and fill it with wet soil. Plant some seeds and place mini figures inside to decorate your bottle garden.
- Fill Section C with water. Fit B inside C. Make sure the pieces of cotton string are in the water.
- Cover the opening with Section A. Watch the plants grow inside your bottle garden!

STEM+ Activity

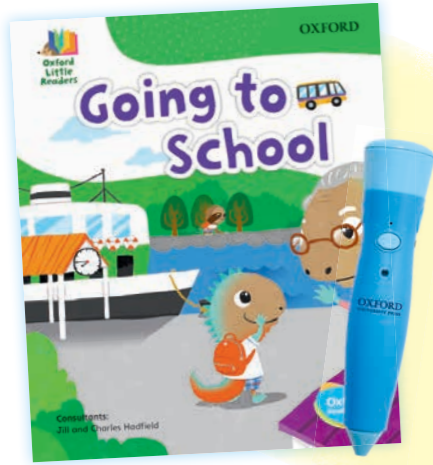

## Snail Express

What you need:

- Print out the pictures. Colour and cut them out.
- Tape a straw and a snail cut-out onto a balloon.
- Secure a piece of string from one end of the room to the other end. Thread your straw through. Blow up the balloon and use a clothes peg to hold it shut.
- Say 'I like ...'. Ask your child to tape the corresponding food cut-out onto the balloon and remove the clothes peg. Express delivery!
