## Oxford Reading Pen

# Simply TOUCH

  
 to Fulfill Multiple Learning Needs

 Rechargeable  
 model

**\$728**

Touch

### to Revise

Children can touch the textbook contents, key words and sentences to listen to native English pronunciation, which helps to develop their speaking and listening skills as well as building a good foundation for their English learning.

Touch

### to Record

Teachers and parents can keep track of children's learning progress by listening to their English recordings in the Activity Books.

Touch

### to Play the Song

Children's sense of the English language and their phonological awareness can be strengthened through listening and singing the rhythmic and melodic songs (in vocal, karaoke and chant versions).

Touch

### to Read Along

Children can improve their English pronunciation by making a recording right after listening to the native English pronunciation.

Touch

### to Play the Games

Children can improve their English pronunciation by making a recording right after listening to the native English pronunciation.

Touch

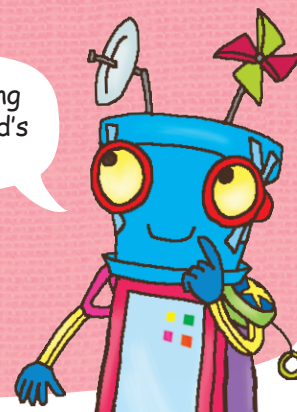

### to Listen to the story

Told with native English pronunciation, the stories develop children's interest in reading and enhance children's listening skills.

Use the Oxford Reading Pen to enrich your child's English learning.
