Endal—the amazing service dog

1 In 1991, Allen Parton had a serious accident. He lost his memory and could not walk. Parton felt hopeless.

2 Everything changed when he met Endal. The golden-coloured dog brought Parton lots of joy. He poked Parton gently with his nose. It felt as cold as ice! Parton laughed for the first time in months. Everyone was surprised by that.

3 Parton taught Endal to understand many commands. Between 1995 and 2009, Endal helped Parton get dressed, bathe and get **money** from cash machines.

4 One day, a car knocked over Parton's wheelchair. Parton felt a lot of pain when he fell. Endal tugged Parton to a safe position and covered him with a blanket. Then Endal ran quickly to a hotel and woofed loudly for help. People came to rescue Parton. This dog won 11 **awards** for his amazing service.
