

From Handwriting to Phonics

全港唯一

有聲英文寫字練習，同步加強拼讀與串字能力

The only handwriting series that develops students' English phonics and spelling skills

OXFORD
UNIVERSITY PRESS
牛津大學出版社

非一般寫字練習

融合聽說讀寫的寫字練習

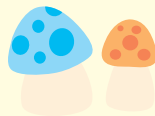

Handwriting and integrated skills

全系列經資深小學校長評閱，透過拼讀和寫字鞏固學生的英語學習
 The series has been reviewed by an experienced principal, and aims to consolidate students' learning through phonics and handwriting

本系列特色

What the series does

This page is for the letter 'k'. It features stroke order guides for both uppercase 'K' and lowercase 'k'. There are two rows of boxes for tracing and writing the letter. Below the boxes, there are three lines for writing 'a key' and three lines for writing 'a kite'. Illustrations of a key and a kite are provided for context. The page is labeled 'Track 12'.

透過**拼讀**，培養學生認字能力，繼而鞏固讀、寫技巧

Strengthens students' English spelling through **phonics** and consolidates their reading and writing skills

This page focuses on the phonics 'ch'. It has a grid for tracing and writing 'ch'. Below the grid, there are two sentences for writing practice: 'Let's buy some chocolate and cheese.' and 'Cheer up, Charlie! Have some chips.' Illustrations of a shopping cart and a woman comforting a child are included. The page is labeled 'Track 11'.

緊扣**寫字**、**拼音**、**串字**和**識字**四項技巧訓練

Combines **handwriting** skill with **phonics**, **spelling** and **vocabulary building**

This page is for sentence writing. It features two sentences: 'Let's buy some chocolate and cheese.' and 'Cheer up, Charlie! Have some chips.' There are multiple lines for tracing and writing each sentence. Illustrations of a woman and a child are provided. The page is labeled 'Track 12'.
