Digital Team provides hands-on technical support and e-solutions to meet teachers' needs.

Teachers' Professional Development Campaign

Programme 1 Series Orientation Workshops

- ▶ to facilitate English language teaching and learning through providing practical tips on effective usage of Oxford series in real classroom teaching

Programme 2 Teacher Refresher Courses

- ▶ to familiarize teachers with the latest English language teaching methodologies and pedagogies

Programme 3 Oxford Teacher's Academy (OTA)

- ▶ All programmes from this world-class community are specially designed for education professionals to refresh and revitalize teaching strategies and techniques, provided by Oxford University Department for Continuing Education (OUDCE) and Oxford University Press.
