Family camping & barbecue night

The weather was cool and dry, so I went camping with my family! We went camping in Pui O. It was a beautiful beach campsite on Lantau Island. We had a barbecue at night. Dad lit the fire of a barbecue pit. I helped Mum prepare the food. There were sausages, chicken wings, steak and my favourite ... marshmallows! Roasting the marshmallows was a difficult task. They got burnt easily. My sister and I ate the roasted marshmallows with a piece of bread. It was delicious. After dinner, we put out the fire. The rubbish bins at the campsite were full, so we put all our rubbish in a plastic bag and took it away with us in the morning.
