### Text 1 Itinerary

## A unique stay in Hong Kong

### Day 1 The Peak

- ① If you take the Peak Tram up the steep hill, you'll see spectacular views of Hong Kong. Within the 1.4 kilometre trip, the tram climbs an impressive 400 metres. Getting to the Peak Tram is simple and hassle-free. It's just a short walk to the Peak Tram Lower Terminus from MTR Central Station.

### Day 2 Ngong Ping 360

- ② This attraction includes a cable car ride, which transports you 5.7 kilometres from Tung Chung to Ngong Ping, where there is a plethora of tourist activities, including visiting the Tian Tan Buddha and shopping at the retail centre. You can easily hop on a bus or the MTR to get to Tung Chung.

### Days 3 & 4 Hong Kong Wetland Park and bubble camping

- ③ You can get to the Hong Kong Wetland Park by Light Rail. Keep your eyes peeled for all sorts of rare and endangered birds at this world-class conservation facility.

- ④ After that, travel on foot to a nearby campsite for a one-of-a-kind 'glamping' experience. Spend the night in a comfortable, air-conditioned 'bubble tent' and admire the night sky while you stay safe and snug in bed! There won't be any mosquitos to ruin your night.

### Day 5 Real-life room escape

- ⑤ Finally, visit a real-life escape room in Causeway Bay, where you must collaborate with your friends to discover and decipher clues to ultimately get out of the room. Can you do it within the time limit? The fastest way to get there is by MTR.
