

Answer key

Comprehension 2

- 1 i) the Social Services Club
ii) I think this club usually organizes events to help the community/charities. (*any reasonable answer*)
- 2 No, Jason has not participated in a Zombie Run before. He says he did not know what to expect and felt nervous about the event, yet he wanted to see what the buzz was about. (*any reasonable answer*)
- 3 in Victoria Park
- 4 Jason thought zombies were a good theme for the cause because they are always hungry. Running away from zombies, therefore, matches with the event's goal of escaping hunger. (*any reasonable answer*)
- 5 Jason said that some people may think the zombie theme 'makes light of the issue of hunger' because they might think zombies are a silly idea from horror stories, whereas hunger is a real issue that affects people's lives. (*any reasonable answer*)
- 6 i) intriguing/interesting
ii) interesting/intriguing
- 7 5

4
- 8 i) being one of the survivors
ii) He meant he hoped he would not get caught by any of the zombies. (*any reasonable answer*)
- 9 i) designated
ii) dodge
iii) sprinted
iv) gruesome
v) dedicated
- 10 At first, the unaware passers-by felt very frightened by the Zombie Run. However, when they learned what was going on, they were impressed and donated money to the cause.
- 11 The main idea of paragraph 4 is that both people taking part in and watching the event had a very good time. (*any reasonable answer*)

15 In a zombie run, I would rather be a zombie than a survivor. This is because I think it would be fun to do my own make-up and scare some people!/In a zombie run, I would rather be a survivor than a zombie. This is because it sounds more challenging to keep away from all of the zombies rather than chasing people around. Plus, I think it would be scary, which would make it very exciting! (*any reasonable answer*)
