Dear Allen,

Hi! How are you? What's it like in Australia at the moment? Do you enjoy to be there? Is the weather there anything like Hong Kongs' weather?

I have some interesting news. Mine aunt had a baby girl last week. His face is so cute! Aunt Helen looked so happy too. She couldn't stop to smile.

I even got to hold the baby myself. At first, I was quite nervous. I kept think I might drop the baby. My mother told me not to worry though. She asked me to simply make sure that I supported the babys head. It was quite easy actually.

In that moment, when I was looking into hers eyes, I felt very happy to have a new cousin.

Hmm, what else is going on? Oh, my sisters teeth are starting to fall out. She really dislikes go out in public now. She thinks everyone is looking at her.
