Dear Erica, How are you? I'd like to tell you that I am hosting a birthday party and I'd be delighted if you could come to join us. Let me tell you the details here. The party (1) is on 3 October. It (2) starts at 12.30 p.m. and (3) ends at 6 p.m. We'll be eating at a popular pizza restaurant in Sha Tin. Since you live nearby, you can go to the restaurant with me and my family together. The restaurant is cool because a live band (4) performs there during lunch every day. That's not the only cool thing though. After the band performance, a magician (5) does magic tricks. The restaurant (6) closes at 3 p.m., so at that time the party (7) moves to Fun Centre. Fun Centre is a place where kids can enjoy all kinds of leisure, such as sports, board games and have fun. Then, we (9) gather at the guest room at 5 p.m. to eat cake and ice cream. After that we (10) take group photos. Finally, everyone (11) goes home at about 6 p.m. I really look forward to seeing you at my birthday party!	raded gran	nmar workshe	et		∅ Ø Unit 8
