Subject: Greetings from the UK

Dear Pam,

Hi! How are you? I'm still in the UK at the moment. I'm having a lot of fun!

On our first day here, we went sightseeing. I saw the famous London Bridge and Big Ben. I wanted to buy (1) \_\_\_\_\_ as a souvenir, but I couldn't find (2) \_\_\_\_\_ that I liked. My British penfriend said people can get (3) \_\_\_\_\_ they want from the souvenir stands, but (4) \_\_\_\_\_ of them sold anything interesting. I was quite happy that we found a little fish and chips shop for dinner though. Is there (5) \_\_\_\_\_ more classically British than fish and chips?

We did (6) \_\_\_\_\_ quite different on the second day. We left London and went out into the country. First, we visited an old castle. I've never seen (7) \_\_\_\_\_ like it. The stone walls looked huge and felt very cold somehow.

After visiting the castle, we went to see (8) \_\_\_\_\_ really unique. We went to a place called Stonehenge. This is the place where you can see giant stones in a circle on the ground. There is certainly (9) \_\_\_\_\_ like it in Hong Kong. It was really creepy in a strange way. As I stood near the stones, I almost felt like (10) \_\_\_\_\_ was crawling up my neck.

The next day, we actually visited Chinatown in London. Although I like British food, there is (11) \_\_\_\_\_ better than getting a taste of home when you're abroad. The dim sum was excellent, but (12) \_\_\_\_\_ was different about it. It wasn't quite the same as in Hong Kong.

Well, there's (13) \_\_\_\_\_ I'd like more than to chat with you a bit, but I have to get going. Today we're travelling to Scotland to continue our holiday there. I want to buy you (14) \_\_\_\_\_ while I'm there. Is there (15) \_\_\_\_\_ in particular you would like?

Cheers,

Good morning, everyone. Today, I want to talk about my family. There are four people in my family. Let me introduce them to you.

(1) My father a family doctor whose clinic is in Mong Kok is the oldest person in my family. He's (2) \_\_\_\_\_ who I really admire. He goes to great lengths to make sure everybody in the family is happy. There's (3) \_\_\_\_\_ that he wouldn't do for us. My father cares about his patients a lot. All his patients trust him very much. (4) \_\_\_\_\_ will disagree that he's the most caring doctor in Mong Kok.

My mother is two years younger than my father. She's clever and efficient. I don't think there's (5) \_\_\_\_\_ she can't do. If you ask her for help, you can be sure she'll work out a solution for you. If she can't do it herself, she'll get (6) \_\_\_\_\_ to take care of it. That's usually my brother or myself, of course. (7) \_\_\_\_\_ can stop my mum! (8) From morning until afternoon she works at famous university. The University of Kowloon. There's (9) \_\_\_\_\_ special about the university. It's the only university in Hong Kong that has an ice rink in the school campus!

(10) Musician in training, Eric is my elder brother. He's (11) \_\_\_\_\_ that just can't get enough music. How so? He's always practising the piano, the violin or the guitar. When he reads, he never reads (12) \_\_\_\_\_ that's not about music. I really look up to my brother. I know he'd do (13) \_\_\_\_\_ to help me.

(14) Canadian-American actor Michael J. Fox once said, 'Family is not an important thing. It's everything.' I wholeheartedly agree with him. My family gives me love and support. Well, (15) \_\_\_\_\_ in my family is perfect, but we all love each other just the same. As long as we have love, (16) \_\_\_\_\_ can separate us.
