Sally's Blog

1 Is birth order important?

2 Firstborn children are usually organized, but my eldest sister Judy often forgets her tasks. Her desk is always dirty and she seldom cleans it! The eldest child is usually bossy too. Well, Judy does ask us to do things for her all the time!

3 My brother Andrew is a middle child. He sometimes does crazy things like making his hair green! The middle child has lots of friends and is talkative. I guess that's true because Andrew is always on the phone.

4 I'm Sally, the baby of the family. I'm creative and I have lots of ideas. I might be a little lazy too—I seldom clean my room. 😊
