*You are doing a project about role models. You have found a magazine article about some teenagers' choice of role models. Read the magazine article.*

### Text 1 Magazine article

## Who's your role model?

① *HK Youth* asked three teens to tell us about their role models.

### ② Mandy Law

Melissa, my older sister, is my role model.

- 5 She volunteers at the elderly home every week. We're going to read the news to the elderly together this Saturday.

### ③ Wilson Chui

- 10 Jeremy Lin is my role model. He's a basketball player in the NBA and a Harvard University graduate. I like him because he's sporty and intelligent. I hope I'll be a great basketball player like him.

### ④ Simon Yau

- 15 Our Science teacher Mr Ng is my role model. He's also an environmentalist. He taught us how to care for the environment.
