Text 3 Email

Dear cousin,

Thank you for your suggestions. We visited many wonderful places during our trip.

First, we went 'glamping' in Tin Shui Wai. It was an incredible experience. I
5 had never seen anything like that! Next, we visited the Hong Kong UNESCO
Global Geopark. We explored those amazing rock formations. The Hong
Kong Science Museum was the best, though. The exhibits are very
interesting. I learnt a lot about science and technology.

Hong Kong has a good public transport system. The Octopus card is very
10 useful. It makes it easy to get on different types of transport. It was great
travelling by MTR, buses, ferries, trams and minibuses. In Melbourne, we
have similar kinds of public transport. We also have a bike share programme.
If you join the programme, you can use over 600 different bikes in the city,
for up to 30 minutes each time. Perhaps that idea would work in Hong Kong
15 as well.

I hope you can visit me in Australia soon. I'll show you the best sights!

Cheers,

Bobby
