Wildlife TV

Wednesday, 8–9.30 p.m.

① Do you like to sleep? Animals do! Bears sleep throughout winter and lions can sleep up to 24 hours a day! Join us on a journey to discover some eye-opening sleeping habits in the wild.

② Episode 1: Battle of the sleepest

10 It is very difficult for koalas to stay awake. They need 18–22 hours of sleep a day! But sloths are not far off in the competition. They sleep close to 20 hours a day in the treetops.

③ Episode 2: Never fully asleep

15 Dolphins sleep with one eye open because only half of their brain sleeps at a time. And did you know that it is impossible for giraffes to sleep for more than 30 minutes? Keep your eyes open for more fascinating facts behind these animals' sleeplessness.
