### K-drama adventure day 1: Nami Island

① Something any K-drama fan must do is visit famous K-drama filming locations! I started this adventure last week. I travelled to Gapyeong, a place of great natural beauty.

② Anyone visiting Gapyeong should buy a City Tour Bus ticket. With this, you can get on and off the bus any number of times on the same day!

The famous *Winter Sonata* Statue on Nami Island

Zip-lining is so exciting!

③ Key filming location for *Winter Sonata* Nami Island was my first stop. I went to the island by zip line instead of by ferry. I sat in a seat dangling from a cable 80 metres high and zipped across the harbour! It was so exciting! The tree paths and theme gardens on the island were magnificent. There were even ostriches walking around! One of these naughty birds tried to steal my food!

④ Next, I visited Petite France, which looks like a cute little French village. Read about it in my next post!
