#### Stand by Me Doraemon trivia

1 Director Takashi Yamazaki and his team spent more than a year developing the CG (computer-generated) characters in this Japanese animation. This is quite a long time, isn't it?

300 people found this interesting | Share this

5 2 Hong Kong voice actor Lam Pou-chuen was the cheerful voice behind the robot cat. Most people remember his voice even if they do not know his name. Sadly, he died just before the film was shown in cinemas.

#### Little Big Master trivia

3 This film is based on the true story of head teacher Lui Lai-hung. It is about her fight to save a failing village kindergarten in Hong Kong, which has only five students.

180 people found this interesting | Share this

15 4 Director Adrian Kwan Shun-fai was often moved to tears during filming. Kwan often made the actors and actresses wait for him to stop crying so that he could make comments on the scenes.
