#### Inside Out (2015)

A creative and heart-warming story that won't let you down

Rating: ★★★★★

Suitable for: all ages

Reviewed by: Richard Ho

- ① *Inside Out* is produced by Pixar Animation Studios and directed by Pete Docter and Ronnie del Carmen.
- ② This animation is about Riley, an 11-year-old girl. The five emotions in her mind, Joy, Sadness, Fear, Disgust and Anger, are responsible for controlling her moods. The story is about how they work together during a sudden change in Riley's life.
- ③ I love *Inside Out* because it has a meaningful message. It teaches us to accept our emotions. It's fine if we get angry or sad sometimes. I especially like how the film spreads the message that life isn't only about the positive things. In addition to happiness, we also need sadness, anger and fear in our life too.
- ④ I'd recommend this film to everyone. It's funny and inspiring. You can't ask for more than that, can you?
