Scene 3

Mandy and Peter are standing in front of Two IFC. An unknown virus has shut down all computers in the city. Around them are some damaged cars and buses. No one else is around.

Mandy: *(shaking a walkie-talkie)* Well, that's it. The battery is dead. We can't
5 contact anyone.

Peter: *(desperate)* No electricity, no mobiles, and now no walkie-talkie!
How are we going to find Carrie?

Mandy: Don't worry. Carrie said that if she couldn't contact us with the
walkie-talkie, she would light a fire so that we could find her.

10 **Peter:** In that case, we should get to a high place—the top of the building!

Mandy: Wait! It's not safe to go into the building. I heard that a lot of
dangerous people are inside.

Peter: *(almost crying)* We have to find her! She's my little sister! She once
asked me if I would always look after her. I told her I always would.
15 Please, Mandy.

Mandy: You're right, Peter. We must find her soon! I just hope we see the
smoke when we get to the top.
