Dear Ms Yeung,

20 Application for the post of part-time Video Game Tester

I am a Secondary 5 student at Kowloon College. I am writing to apply for the post of part-time Video Game Tester, which was advertised in the Hong Kong Daily News on 1 June 20__.

25 Six months ago, I started the Video Gaming Club at my school. We review different video games in the club, so I am familiar with all kinds of video games.

As the chairperson of the Video Gaming Club, I need to have good communication skills to tell members about the club's activities. I have also organized gaming competitions at school.

30 Moreover, I have the computer skills required for this job. I have designed a video game for an ICT assignment. My teacher was impressed with my work and suggested that I consider getting a job in the gaming industry.

I would be happy to come to your office for an interview. Thank you for your time and consideration.

Yours sincerely,

35 Nathan Chu
