Order of adjectives

Your friend wrote a restaurant review on her blog. However, she is not sure about the order of some of the adjectives. Read the review and reorder the adjectives in brackets.

| Food Quality: ★★★☆ | | Atmosphere: ★★★★★ | Overall: ★★★★☆ |
| Recently, I went to a new r | estaurant called Fo | our Tigers Bar & Grill. It | has this name |
| because it's a fusion resta | | | |
| Korean dishes. The restau | rant is located in a | (1) | _ (new/bustling) part of |
| Tsim Sha Tsui. | | | |
| I must say, first of all, the a | tmosphere of the re | estaurant is amazing. C | over the |
| (2) | (enormous/glass | s) front doors are four (3 | 3) |
| (metal/large) tiger heads. | he inside of the res | staurant is decorated w | ith various |
| (4) (Asian/interesting) themed paintings, often to do with tigers. The | | | |
| (5) | (roun | d/large/wooden) tables | fit the theme nicely. |
| The food was also quite go | ood. For starters, I h | nad some (6) | |
| (Korean/hot) kimchi. I thou | ght it was really tas | ty. My parents didn't lik | e their soup though. |
| For my main course, I had | a (7) | (grilled/tasty) chi | cken with an |
| (8) | (exotic/sw | eet and sour) sauce. M | y mum had a large |
| bowl of (9) | (bee | f/Taiwanese) noodles w | hile my dad had an |
| (10) | (amazing/stir- | fried) pork and vegetab | le dish. For dessert, |
| we each had a (11) | | (custard/d | elicious/creamy) bun. |
| My only complaint with the | restaurant is the d | isappointing slow servic | ce. Our |
| (12) | (forgetful/you | ung) waiter had to come | e check with us three |

| Nevertheless, I highly reco | mmend this (13) _ | | |
