

Writing a Setting

Can you draw the picture according to the description below?

It is a square room with a window looking outside. I can see it in front of me when I walk through the door. Under the window, there is a big, comfortable, blue bed with three purple pillows on the top. Next to the bed, there is a little wooden bedside table with a story book on top. An alarm clock is next to the book. There is a big wardrobe on the left hand side of the wall, and opposite of the wardrobe is a big poster of a kitten sleeping.

Pick a room in your home. Draw it in the box.
